LANGLEY'S®

GIN . AS IT SHOULD BE™

Langley's believes in making "Gin. As it should be" – Gin, just as it ought to be. With their three classically inspired varieties, the English distillers bring sustainable, high-quality gins that are accessible to everyone and pleasing to both the planet and the consumer.

Inspired by the "First Gin Act" of 1729, the First Chapter emerges as an approachable and classic English Gin featuring ten traditional botanicals. It is suitable for any occasion, making it the perfect one-bottle bar.

It comes with a refreshing juniper kick accompanied by fresh citrus peel aromas. In the background, it is expertly rounded off by a bitter-herbaceous note of white pepper, licorice, and cassia bark.

Perfect Serve: In Langley's "Queen's English," it shines with ice, classic tonic, a slice of lemon, and smoked thyme.
