# LANGLEY'S®

GIN . AS IT SHOULD BE™

Langley's proclaims "Gin. As it should be." - Gin, as it ought to be. With their three classically inspired varieties, the British offer sustainable, high-quality gins that are accessible to everyone and please both the planet and the consumer.

The flagship of the Langley's Range - the London Dry - strikes the perfect balance between alcoholic strength, a gentle mouthfeel, and robust flavor. It is therefore particularly suited to premium bars and discerning mixologists. And to anyone else who wishes to benefit from and try this wonderful gin.

The delightfully dry gin with a prominent juniper note shines especially with fresh sage, aromatic lavender, Parma violets, coriander, lemon peel, and hearty celery.

Perfect Serve: In Langley's "G&B," it captivates with ice, Indian tonic water, a slice of pink grapefruit, and a sprig of basil.
