

Razel's

Imagine you could capture the flavors of popular American treats and combine them with fine Caribbean Rum to create a truly exceptional taste experience... With Razel's, this fantasy becomes delightful reality!

Razel's Peanut Butter Rum pairs the natural aroma of creamy, slightly salty peanut butter with fine aged Caribbean Rum. It is an oily-creamy sensation with subtle notes of dark chocolate, caramel and the nuttiest peanut butter you can imagine. Razel's Choco Brownie Rum smells of freshly-baked brownies. Wonderful notes of dark cacao, batter and hints of roasted coffee leave a soft and velvety sensation on the tongue.

This Twin Pack offers your customers the ideal opportunity to try both flavors first as a miniature in the practical size of 50ml each and discover them for themselves. In this way, the sales volume of the regular-sized bottles can be positively influenced in the long term.
